STAT

Dear Paul:

Attached are two copies of your contract for signature. Please sign both and return to me in the enclosed envelope. I'll forward them to the appropriate office, and return a copy to you after the contracting officer countersigns.

I'm sorry you couldn't get to Headquarters on the 11th, but I hope your trip was a success otherwise. I've spoken with the OSWR people, who advise me that there is about a "morning's worth" of material for scrutiny. Please let me know before you come down again and I'll make the necessary administrative arrangements for you to review the documents.

Sincerely,

STAT
